

## Iconoclast: Abraham Flexner and a Life in Learning (Hardback)

By Thomas Neville Bonner

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2002. Hardback. Condition: New. Language: English. Brand new Book. In this, the first biography of Abraham Flexner (1866-1959), distinguished scholar Thomas N. Bonner offers an engaging and insightful view of one of the most influential figures in twentieth-century American education. From his early, pathbreaking work in experimental primary schools to the founding of the prestigious Institute for Advanced Study at Princeton, Abraham Flexner's influence on American education was deep, pervasive, and enduring. In Thomas N. Bonner, Flexner has at long last found the biographer that his critical role in American education deserves. The son of poor Jewish immigrants in Louisville, Kentucky, Flexner was raised in the Reconstruction South and educated at the Johns Hopkins University in the first decade of that institution's existence. Upon earning his degree in 1886, he returned to Louisville to found four years before John Dewey's Chicago "laboratory school"-an experimental school based on progressive ideas that soon won the close attention of Harvard President Charles Eliot. After a successful nineteen-year career as a teacher and principal, he turned his attention to medical education. His 1910 survey-known today as the Flexner Report-stimulated much-needed, radical changes in the field and, with its emphasis on...
